Circles of Mercy recently honored a local professional business woman Beth Coco, SEFCU's Chief Financial Well-Being Officer and Circles of Mercy's founding trustee, initial board chair and Mercy Associate, with their annual **Hope and Hospitality Award**.

Mrs. Coco received the recognition during "A Taste of Mercy" annual fund raising gala recently held to celebrate "Catherine's Circle of Friends, Continuing the Mercy Tradition..." The gala was to benefit Circles of Mercy and to honor Beth, who has been involved assisting the agency since 1997. During the past 18 years she has served as a founding member and board chair on the Circles' Board of Trustees and is also a Mercy Associate. Beth has dedicated a great deal of her time serving people who suffer from poverty, sickness and a lack of education; with a special concern for women and children. We are very happy to recognize Beth with our annual award and offer our congratulations.

Circles of Mercy is an out-reach center for those in need, sponsored by the Sisters of Mercy Northeast Community. It was established in 1997 in the City of Rensselaer and has an 18 year tradition of offering programs and services to provide hope, hospitality and empowerment to individuals living in the Rensselaer Community, especially women and women with children.
